2026 INDUSTRY, ENERGY AND EMERGING TECHNOLOGY RESEARCH AND DEVELOPMENT SYMPOSIUM AND COMPETITION

Scope of the Competition:

The **Best Paper and Best Popular Poster** competition will have two (2) categories; the professional and student category. Both competitions will be open to all researchers, engineers and scientists from universities and colleges, government and private R&D institutions, energy sectors and private industries or any individual in region 1. In contrast, the Technology Pitching competition is exclusively for the Professional category.

The industry, energy and emerging technology research should fall under any of the following sectoral areas:

1. Food Processing
2. Metals and Engineering
3. Mining and Minerals
4. Energy
5. Environment (waste management related to industry)
6. ICT
7. Material Science, Semiconductors
8. DRRM & SSCP
9. Space Science
10. Nuclear Science
11. Artificial Intelligence
12. Marine and Maritime Technologies
13. Quantum Computing and Technology
14. Synthetic Biology

The R&D projects to be presented must have been completed and developed not earlier than 2021. The R&D should be applied, such as, prototyping, industrial and energy-related equipment, process/product development and/or improvement, environmental concerns (related to industry), and resource utilization.

A. MECHANICS FOR BEST PAPER COMPETITION:

Submitted entries will be screened and those that will qualify will be presented during the Symposium scheduled on **October 14-16, 2026, at WCC Aeronautical and Technological College, Binalonan, Pangasinan.**

PROPOSED SYMPOSIUM CONTEST GUIDELINES

1. The Best Paper and Best Popular Poster Competition are open to all Filipino citizens in Region 1 who are researchers, engineers and scientists from universities and colleges, government and private R&D institutions, private industries or any individual.
2. Patented, transferred /commercialized R&D projects are eligible. R&D projects that are recipient of earlier awards/recognition from DOST and its agencies are not eligible in the contest.
3. Only R&D projects completed not earlier than 2021 (including the current year) are eligible as entries by the principal researcher. A co-researcher can make submission but a written permission from the principal researcher should be provided. Also, the principal researcher must acknowledge his/her co-researcher if there is any.
4. The R&D results shall remain the property of the principal investigators and/or the agency/ies.
5. The principal researcher of the R&D project must directly submit to ICIEERD using the prescribed format. Entries should be **endorsed by his/her agency.**

6. The ICIEERD Screening Committee will conduct the initial screening of all entries in the competition. The basis for the pre-screening will be the publishable expanded abstract of the research projects. Submitted entries should also fall under the ICIEERD sectoral areas and must have been completed and developed not earlier than 2021.

7. Persons interested to join the **Best Paper Competition** should submit the Title of the Paper, Name of the Researcher, Contact name and address through **icieerd@gmail.com** on or before **September 21, 2026**.

1. Prize for Best Paper, Best Poster and Best Technology Pitching Award:

Professional Category (Paper):

First Place: **P 10,000** + Certificate of Recognition
Second Place: **P 7,000** + Certificate of Recognition
Third Place: **P 5,000** + Certificate of Recognition

Professional Category (Poster):

First Place: **P 8,000** + Certificate of Recognition
Second Place: **P 5,000** + Certificate of Recognition
Third Place: **P 3,000** + Certificate of Recognition

Student Category (Paper):

First Place: **P 8,000** + Certificate of Recognition
Second Place: **P 5,000** + Certificate of Recognition
Third Place: **P 3,000** + Certificate of Recognition

Student Category (Poster):

First Place: **P 6,000** + Certificate of Recognition
Second Place: **P 4,000** + Certificate of Recognition
Third Place: **P 2,000** + Certificate of Recognition

Professional Category (Tech Pitch):

First Place: **P 10,000** + Certificate of Recognition
Second Place: **P 7,000** + Certificate of Recognition
Third Place: **P 5,000** + Certificate of Recognition

8. Each qualifying entry shall receive a Certificate & Token of Appreciation. The coach for each winning team shall also receive a Certificate of Recognition.

9. Qualifying entries will be presented during the symposium preferably by the principal researchers/co-researcher.

10. All awards will be given after the Symposium.

Selection Criteria for Judging: (Paper Competition)

1. Submission of entries should be in the prescribed format.
2. The full paper with 10-20 pages should be clearly stated, understandable and written in plain language.
3. Each participant will be given 20 minutes; 15 minutes for the presentation and 5 minutes for the question and answer.
4. The following criteria shall be used in judging:

MEMBER AGENCIES	Criteria	% Weight
Philippine Council for Industry, Energy & Emerging Technology Research and Development	a. Potential Socio-economic Contribution Refers to potential employment generation, foreign exchange savings/earnings and new markets that can be generated by the research activity.	35%
City Government of San Fernando, La Union	b. Adaptability/ Utilization and Replicability Refers to actual technology utilization or adoption in a locality. Higher consideration will be given to those already being commercialized in a number of localities/venues	30%
Commission on Higher Education	c. Contribution to the Advancement of S&T The contribution may either be a new discovery an innovation or remarkable improvement of an existing technology. Higher consideration will be given to high level, pioneering, unique and commercially useful technologies and those that may provide solution to S&T related problems.	25%
Department of Budget and Management	d. Presentation & Documentation	10%
Department of Economy, Planning, and Development	TOTAL	100%
Department of Science and Technology	The decision of the Board of Judges is final and unappealable. Once the qualified entries are selected, the researchers will be notified to submit the full paper.	
Department of Trade and Industry	B. MECHANICS FOR BEST POPULAR POSTER COMPETITION:	
Don Mariano Marcos Memorial State University	1. Guidelines in the preparation of the Poster	
Ilocos Sur Polytechnic State College	A poster should answer three attributes. It should be attractive or attention-getting, well prepared and self-explanatory. It should, in one passing, give the viewers one or two important conclusions. Hence, it should only present one or two major ideas. Do not overwhelm the audience with too much data and/or explanations. Caption/ body of texts of the poster should give outright interpretations and significance of results of studies. The messages should be encapsulated in one poster only. The following are the guidelines for the preparation of posters.	
Lyceum Northwestern University	Size: Use a standard 30 in x 40 in (100 cm x 75 cm) tarpaulin.	
Mariano Marcos State University	Orientation: The poster should be laid out in a vertical/portrait orientation.	
Mines and Geo-sciences Bureau	Title and Author/Agency: The title should occupy the top portion of the porter. The author/agency and agency's seal/logo should occupy the bottom part, either right or left depending on the discretion of the artist.	
Northwestern University	Type of Letter Size: Use a simple type face for the title, a maximum height of 5 cm (2") and a minimum of 3.75 cm (1.5"), bold or medium. All capital letters or a combination of caps or lower cases (capital and small) can be used for the title. On the other hand, use at least a 1.5 cm (0.5") height for the body/captions.	
Pangasinan State University	Body Text/Caption: Minimize words while maximizing visuals.	
Philippine Information Agency	Illustration/Photographs: Illustration and photographs are allowed. They should, however, be clearly visible from 2m away. Hence, size of photographs should be at least 5R. However, 3R photographs can be used if collaged.	
Philippine Rice Research Institute	Colors: There is no limit on the number of colors that will be used.	
Technical Education and Skills Development Authority	2. Evaluation /criteria for the Best Popular Poster Competition	
University of Northern Philippines	A. Content	
Universidad de Dagupan	50%

SWORN STATEMENT

I, A FILIPINO CITIZEN, HEREBY DECLARE THAT I HAVE NOT RECEIVED ANY
AWARD/S FROM DOST OR ANY OF ITS ATTACHED AGENCIES PERTAINING TO
THE ENTRY/IES I SUBMITTED FOR THIS CONTEST.

FURTHER, I HEREBY DECLARE THAT MY ENTRY HAS BEEN ENDORSED BY MY
INSTITUTION AND HAVE SOUGHT PERMISSION FORM MY CO-AUTHORS TO
SUBMIT THIS ENTRY.

I HEREBY DECLARE THAT THE ABOVE STATEMENTS ARE TRUE AND
CORRECT TO THE BEST OF MY KNOWLEDGE UNDER PENALTIES OF
FORFEITURES AS MAY BE DEEMED NECESSARY AND LAWFUL BY THE
ICIEERD AND RECOMMENDED BY THE BOARD OF JUDGES OF THE ICIEERD
INDUSTRY AND ENERGY RESEARCH & DEVELOPMENT SYMPOSIUM AND
COMPETITION, YEAR 2026.
